**Report on the Use of the Promotion of Reading Grant**

**2020-21 School Year**

Part 1: Evaluation of the Effectiveness

1. Evaluation of the objective:

More resources on different discipline are acquired (including Chinese Language /VA/Aloysians, etc), both printed and electronic ones. Also due to COVID, we tried to use the Eread by HKEdCity.

2. Evaluation of strategies:

Finally we get to adopt some online approaches but not many students enjoy using it in leisure time.

More collaboration between the subject panels and library are to be made, to enhance its popularity among the boys.
